11. Links with other policies

1. Aims

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

This document also complies with our Trust's funding agreement and articles of association.

3. Roles and responsibilities

Our governing body will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout our school, including to staff, pupils and parents
- Ensure that the published equality information is updated at least every year (pupil population), and that the objectives are reviewed and updated at least every 4 years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher
- Ensure they are familiar with all relevant legislation and the contents of this document
- Attend appropriate equality and diversity training

Our headteacher will:

- Promote knowledge and understanding of the equality objectives amongst staff and pupils
- Monitor success in achieving the objectives and report back to governors
- Identify any staff training needs, and deliver training as necessary

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 10.

4. Eliminating discrimination

Our school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, our school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, our school will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information

- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

6. Fostering good relations

Our school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Having lessons and holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies, and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within our school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in our school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

7. Equality considerations in decision-making

Our school ensures it has due regard to equality considerations whenever significant decisions are made.

Our school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, our school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

Our school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment.

8. Our school community

In addition to pupils with protected characteristics as defined in the Equality Act, our school gathers further information on the following groups of pupils which includes our socio-economic duty:

- Pupils eligible for Free School Meals (FSM)
- Pupils with Special Educational Needs (SEN)
- Pupils with English as an Additional Language (EAL)

- Young carers
- Looked after children (LAC)
- Children of members of the armed forces
- Offending past

As it may be possible to identify individuals from the information provided when the number of pupils with a particular characteristic is low and the information is special category information, the information will be excluded from publication but will be taken fully into consideration when developing and determining our policies, procedures and equality objectives.

As our school has fewer than 150 members of staff, we are not required to publish data about our staff. However, employee-related statistics for our Trust will be published centrally to demonstrate that we are complying with the general duty. When doing this, our Trust will be aware of the data protection rules, ensuring individuals are not identified through the publication of data.

9. Equality Objectives

Objective 1: To embed equality, diversity and inclusion into the curriculum and teaching & learning practices, so that all pupils can overcome barriers and achieve the highest standards of education

Our school will work towards a curriculum and teaching & learning practices which:

- are inclusive - all students can access the curriculum and achieve their potential
- show respect for and appreciation of one another as individuals
- prepare students for life in a diverse society by encouraging respect for linguistic, cultural, and religious diversity that exists in local communities and the wider world
- use specialist programmes and dedicated resources to support students who need it the most
- widen educational and personal horizons of all pupils if limited by factors that compromise equality
- monitor and analyse student achievement and progress by ethnicity, gender and disability, and act on any trends or patterns in this data which identify the need for additional support for students
- are proactive in tackling discrimination
- promote benefits of diversity

Objective 2: to embed equality, diversity, and inclusion across our school and we will work towards this objective by:

- improving the recruitment, retention, progression, development, and experience of the people employed by our school to enable our Trust to become an inclusive employer of choice.
- ensuring robust reporting on and monitoring of equalities data.

10. Monitoring arrangements

The Headteacher will update the equality information we publish at least every year.

This document will be reviewed by the governing body and Headteacher at least every 4 years.

This document will be approved by the governing body.
