St Michael's Church of England High School is developing close connections with St Michaels' Church.

The whole school attends end of term services at Christmas and Easter. This term Year 7 held their welcome service in Church, to which parents and carers were invited and Year 8 came to a joyful Harvest Festival service and generously gave groceries for the Salvation Army.

The school visits the Church for educational purposes.

On 11th November, members of the Church took part in a most moving Remembrance Day service in the school Hall, and in December the Make a Difference group have invited members of the Congregation to Lunch and seasonal entertainment.

The school kitchen provides the Church with a hot lunch once a month for the "Heavenly Food" over 60's group and pupils assist with serving the meal.

The church prays weekly for the well-being of the School. The school contributes to the Church magazine.
